

A close-up, soft-focus photograph of a hand holding a small, light-colored paper airplane. The hand is positioned in the lower-left quadrant, with fingers gently gripping the plane. The paper airplane is oriented diagonally, pointing towards the upper-right. The background is a warm, light beige color with subtle, organic textures that resemble the veins of a leaf or the grain of paper. The overall mood is gentle and hopeful.

INITIAL CONSULTATION

In our Initial Consultation, your MRP will perform an in-depth assessment to gain a deeper understanding of your criteria. They will discuss any allowances, eligibility, entitlement and rank, along with documentation that will be needed such as proof of service, passports, or VISAs.

PRE-SEARCH PACKAGE

Your MRP personally selects properties from thousands of available listings based upon criteria discussed in the Initial Consultation. You will receive a "Pre-Search Package," which includes areas, neighborhoods, and hand-selected properties, to view.

PREVIEW OF HOME & NEIGHBORHOODS

Your MRP will meet with you in-person to explore neighborhoods and properties until we find one that's right for you. We will also educate you on the current real estate market, and provide you with neighborhood insight so you get a feel for the any features each has to offer.

HOME SELECTION

Once you have selected your new home, whether a purchase or rental, your MRP will negotiate the best deal for you.

APPLICATION/CONTRACT PROCESS

After your MRP reviews the application/contract process with you step-by-step, they will help you prepare and gather all necessary documentation to ensure a smooth process.
