WHAT WE DO

FIRST CONTACT

Upon completion of our Contact Form, you are assigned a Relocation Specialist (RS) who will be your single point of contact from start to finish. Your RS will walk you through the relocation process step-by-step, and will provide you with an overview of the services we offer.

INITIAL CONSULTATION

In our Initial Consultation, we will gain a deeper understanding of your criteria. We will discuss any allowances and/or limitations, along with documentation that will be needed such as proof of employment, passports, or VISAs.

PRE-SEARCH PACKAGE

Your RS personally selects properties from thousands of available listings based upon criteria discussed in the Initial Consultation. You will receive a "Pre-Search Package," which includes areas, neighborhoods, and hand-selected properties to view.

PREVIEW OF HOME & NEIGHBORHOODS

Your RS will meet with you in-person to explore neighborhoods and properties until we find one that's right for you. We will also educate you on the current real estate market, and provide you with neighborhood insight so you get a feel for the many features each has to offer.

HOME SELECTION

Once you have selected your new home, whether a purchase or rental, your RS will negotiate the best deal for you.

APPLICATION/CONTRACT PROCESS

After your RS reviews the application/contract process with you step-by-step, they will help you prepare and gather all necessary documentation to ensure a smooth process.

ASSISTANCE WITH MOVE-IN

We can help you get into your new home easily by coordinating services such as packing, moving, and transportation to ensure your relocation is seamless and stress-free. Upon arrival, we will also provide you with a neighborhood resource guide.
