WHAT WE DO

FIRST CONTACT

Upon completion of our Contact Us Form, you are assigned a Student Housing Specialist (SHS) who will be your single point of contact from start to finish. Your SHS will walk you through the move process step-by-step, and will provide you with an overview of the services we offer.

INITIAL CONSULTATION

Your SHS will perform an in-depth assessment of your student housing needs and review required documents as appropriate.

PRE-SEARCH PACKAGE

Your SHS personally selects properties from thousands of available listings based upon criteria discussed in the Initial Consultation. You will be provided a pre-search package, which includes areas, neighborhoods, and hand-selected properties, to view.

PREVIEW OF HOME & NEIGHBORHOODS

Once you have selected neighborhoods and/or properties you would like to see, your SHS will set up appointments to tour the neighborhood and see the properties together. We also provide you with information such as market analysis and neighborhood points of interest, etc. to find the home that's right for you.

APARTMENT SELECTION

Once you have selected your new home, whether a purchase or rental, your SHS will negotiate the best deal for you.

APPLICATION PROCESS

Your SHS will guide you through the application process, review and submit your application, and provide you with updates on the status.

LEASE SIGNING (RENTALS ONLY)

We will help you understand and review the lease and all corresponding documents, as well as guide you through the payment of funds. Most landlords will require you to sign leases and provide payment within 24 to 48 hours of the approval.

MOVING SERVICES

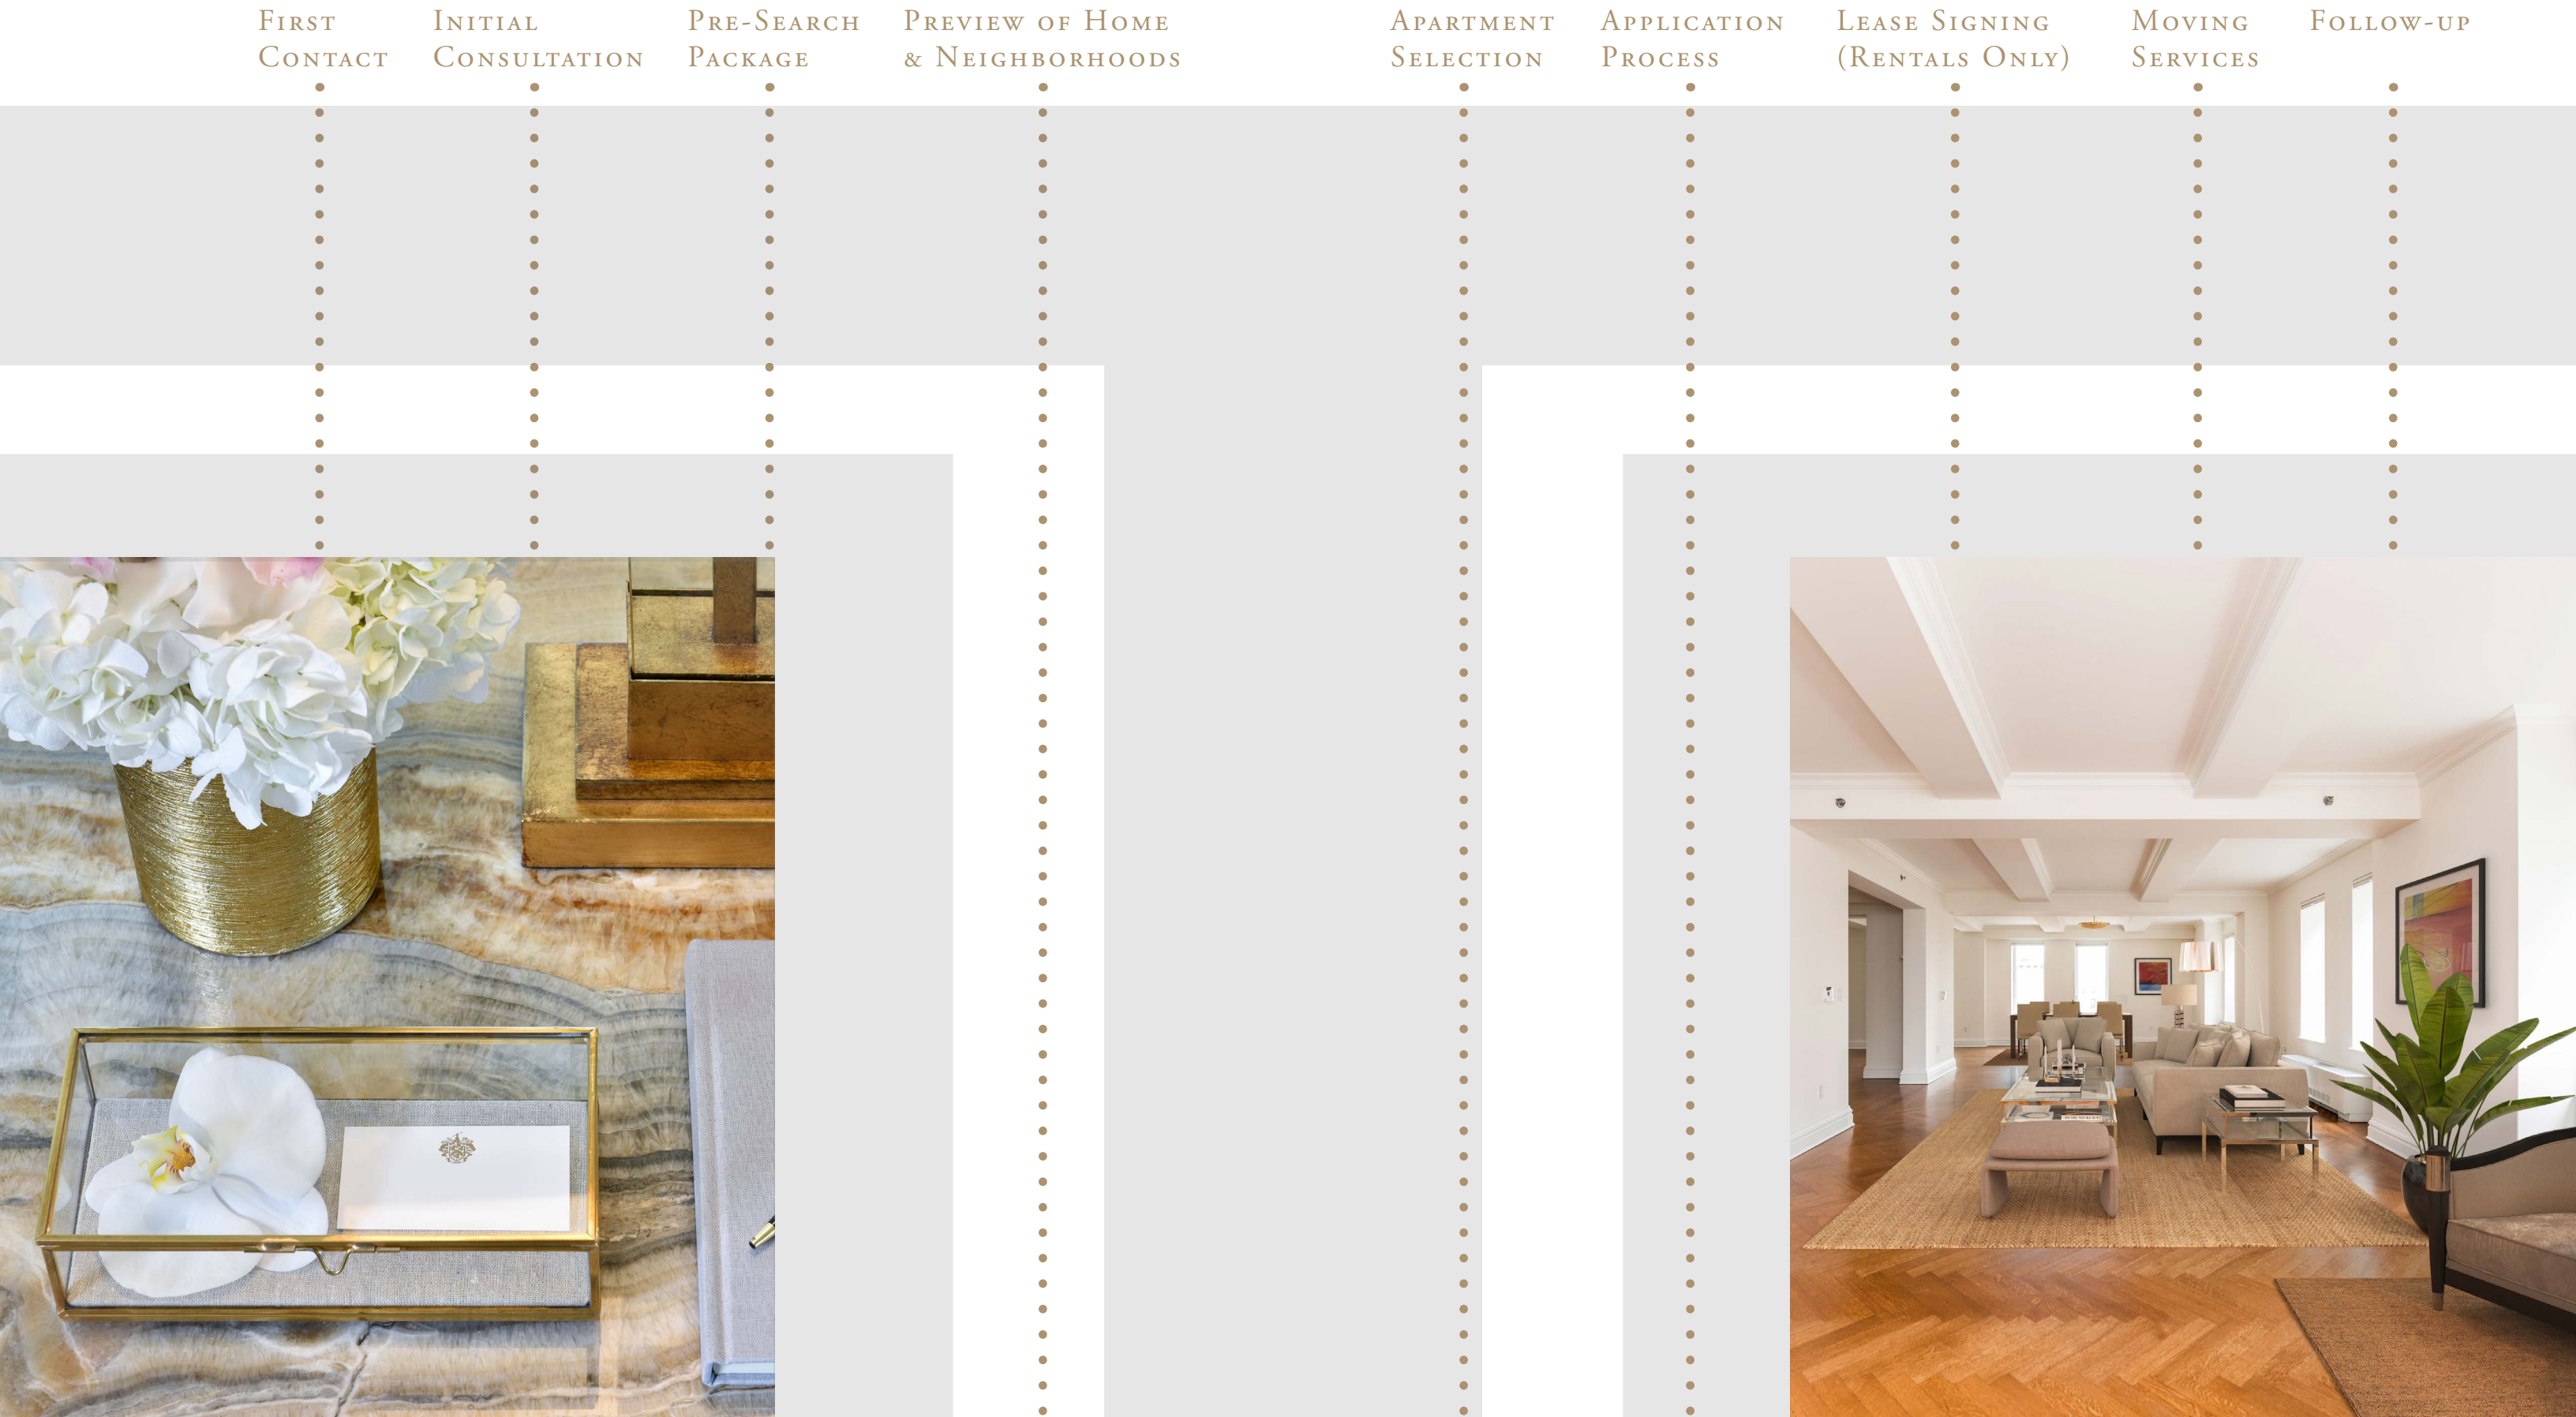

We can help you get into your new home easily by coordinating services such as packing, moving, and transportation to ensure your relocation is seamless and stress-free. Upon arrival, we also provide you with a neighborhood resource guide.
