## LIVE IN ONE OF THE MOST DESIRED WATERFRONT BUILDINGS ALONG THE HUDSON

The 441 apartments were completed in 2001 with the goal of expanding on the extensive list of amenities found in the other neighboring Trump Place buildings, including an expansive health club with a spa and pool. In addition, residents also enjoy an English billiard room, a children's play room, a wood paneled library, private entertainment suite, and a serene interior courtyard featuring a waterfall, reflecting pool and seasonal plantings.
